

LOCAL BUSINESSES SUPPORT SALA SUPER LEAGUE

Sala Super League is an exclusive year-long event taking place at the finest golf courses on the coast.

The successful leisure group commenced with an impressive competition at The Marbella Club Golf Resort on February 8th. "We wanted to start the year in style and Marbella Club Golf Resort boasts a fantastic course in beautiful surroundings," explained Chairman Ian Radford.

Like La Sala's previous golfing event, The Sala Group Golf Classic, the Sala Super League is based on a four-man team format commencing with a shotgun start. Two leagues in one, this amateur golf competition offers contestants the opportunity to play against their teammates in the individual league and work together for the ultimate team prize – a three-day golfing trip to Portugal. Furthermore, the individual winner, and a friend, will also be heading to Portugal. This exclusive tournament has been created not only to offer a fantastic golfing experience but also to support local charity, DEBRA.

The February event raised over 1500€, a great start towards the annual target of over 25000€ for local charities. DEBRA cares for individuals and families affected by Epidermolysis Bullosa (EB), a painful genetic condition which causes the skin to blister and shear at the slightest friction, or even spontaneously. DEBRA focuses its work on funding

pioneering research to find effective treatments and, ultimately, a cure for EB. They also provide optimal healthcare to children and adults living with EB as well as social care support to help people live with dignity.

Many local businesses are kindly sponsoring this charity tournament. Currencies Direct are one of the worlds leading Foreign Exchange companies and are independent of any Bank or other third party. With their Head Office in London and offices worldwide (including four here in Spain), they are both registered and authorised by the Financial Conduct Authority (FCA) and comply fully with the anti money laundering regulators. Ecocarinvest, a specialist in electric LSV cars for public road use and Queststates who offer high quality

properties in Marbella are also reaching out in support of DEBRA. Other businesses showing their support include Porsche Centre Sportwagen Marbella the coast's leading Porsche retailer and Stein Personal & Corporate Planners who specialise on advising private clients on their Investment strategies & how to manage risk.

The next Sala Super League event takes place on March 15th at La Cañada.

To sign up a team for March or any other event this year please contact Sala Super League Manager, Lindsey Medina, or , alternatively, visit www.salagroup.com/golf. With the first event completely oversubscribed please be sure to reserve your place quickly.
