SUPER LEAGUE KICKS OFF *in style*

This year Sala Group is taking its golf event to the next level.

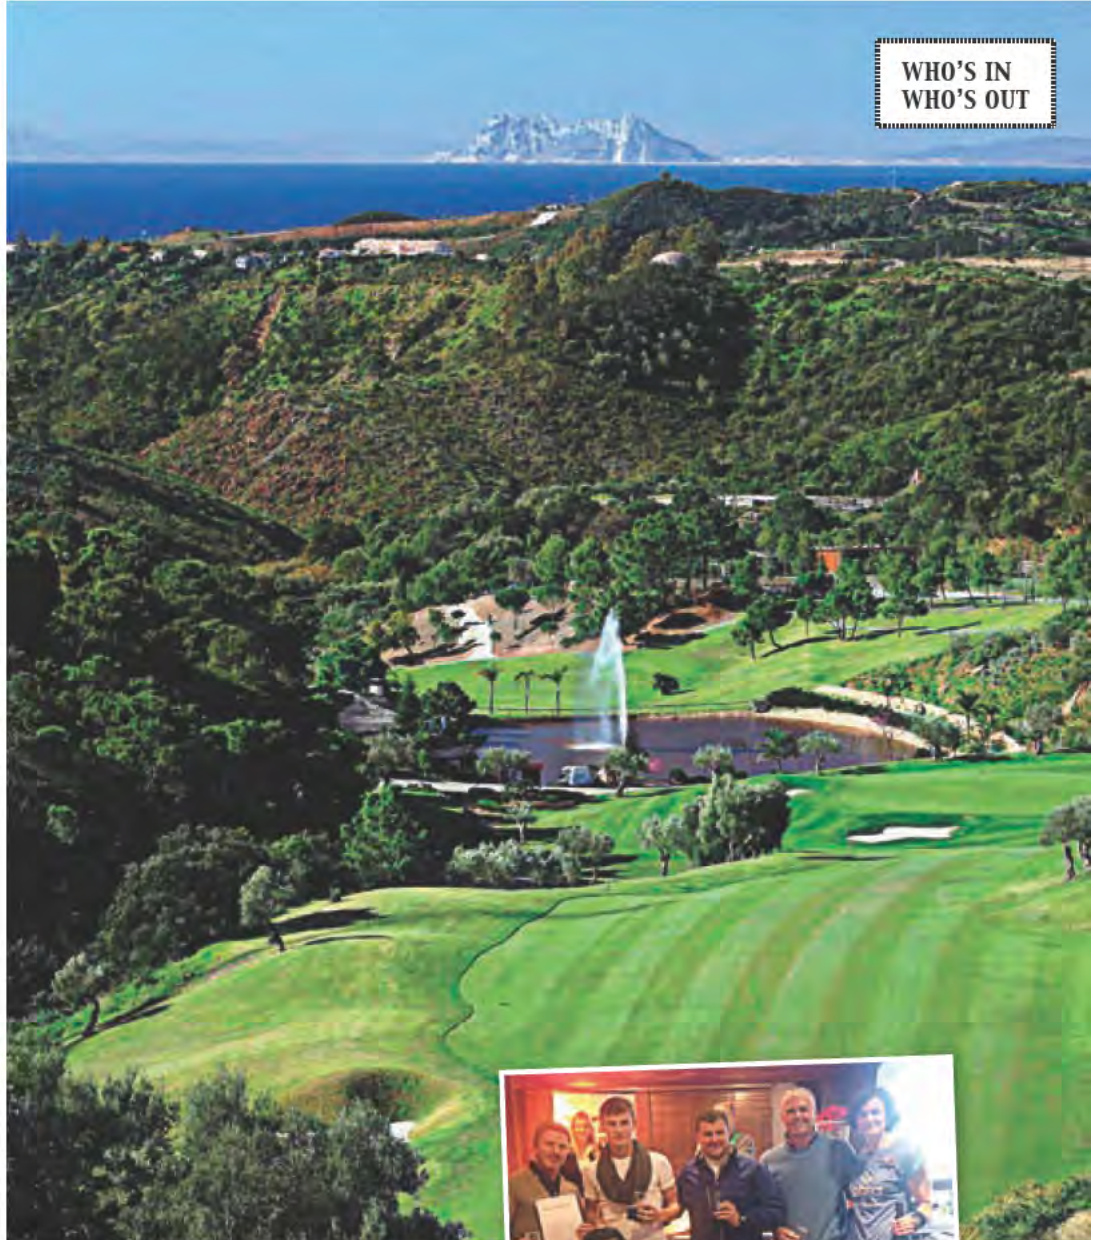

Sala Super League is an exclusive year-long event taking place at the finest golf courses on the coast. The successful leisure group commenced with an impressive competition at The Marbella Club Golf Resort on February 8th. "We wanted to start the year in style and Marbella Club Golf Resort boasts a fantastic course in beautiful surroundings," explained Chairman Ian Radford.

Like Sala Group's previous golfing event, The Sala Group Golf Classic, the Sala Super League is based on a four-man team format commencing with a shotgun start. Two leagues in one, this amateur golf competition offers contestants the opportunity to play against their teammates in the individual league and work together for the ultimate team prize – a three-day golfing trip to Portugal. Furthermore, the individual winner, and a friend, will also be heading to Portugal.

This exclusive tournament has been kindly sponsored by Stein, Ecocarinvest, Questates, Currencies Direct and Porsche Sportwagen Marbella and has been created with the objective to not only create a fantastic competition, but also to support local charity, DEBRA.

DEBRA cares for individuals and families affected by Epidermolysis Bullosa (EB), a painful genetic condition which causes the skin to blister and shear at the slightest friction, or even spontaneously. DEBRA focuses its work on funding pioneering research to find effective treatments and, ultimately, a cure for EB. They also provide optimal healthcare to children and adults living with EB as well as social care support to help people live with dignity.

Following each event Sala Group hosts a prize giving with complementary canapés and drinks at one of their venues where they award fantastic

prizes including dinner for four at La Sala or El Rincón de la Sala, champagne and Callaway merchandise.

Golf buggies, a delicious picnic lunch courtesy of La Sala and drinks are all included in the exceptional value-for-money price.

The next event takes place on March 15th at La Cañada.
