Photos by Jacob Cubero Carreras

This month Sala Group's Sala Super League returned with its second competition. The day commenced at La Cañada Golf Course before the players returned to La Sala in Puerto Banus for the all-important prize giving. What a close competition with three teams tied at the top. After the first countback two were still tied and could only be separated by the score on the 9th. "That's Not a Gimme" took the trophy home. Bill Daniel from ITAPU 1 triumphed in the individual competition and put together a fantastic round.
