

SALA SUPER LEAGUE HOTTING UP

We made the short trip down the coast to the fabulous Almenara Resort in Sotogrande in early October

The ninth event of our 2018 calendar saw some great golf being played on a course in fine condition, with the top of the leaderboard reflecting the competitiveness of the league.

At the end of a fantastic day of golf, Pali Pali came out on top in the team event with a score of 79 points, followed by Sala Group only one point behind. Third place on the day went to the Mickeys with 71 points.

Results were even tighter in the individual event, with Mike Moulds and Stephen Godfrey both scoring 36 points. Ian Radford was third with 35 points.

In the overall race to be

crowned 2018 champions, The Eagles hold a substantial lead in the team event, and Luke Woods Jnr looks like winning
